\*Seal Pups: The Rudgear Meadows Swim Team Seal Pup program is for children who are emerging swimmers. Typically, your child will be between 4 and 6 years of age but in some cases a 3 year old may be ready for this program. If your child is not ready for competition but has interest in swimming, can put his/her head in the water without fear and can be expected to take instruction in a group lesson situation then this program is the right one. The goal of our program is for the pups to be able to swim the length of the pool (25 yards) relatively unassisted by the end of the 6 weeks. The pups will end their season by swimming the length of the pool in a special ceremony at an RMST home meet where they will be cheered on and congratulated for a job well done! It is a great day guaranteed to be a great video opportunity and possibly even tissue worthy!

The program runs 6 weeks during the regular swim season starting mid June (no preseason). The children will be instructed by 2 qualified coaches under the direction of our head coach, Debbie Johnson. Instruction will be given everyday, Monday through Friday from 12-12:30 pm. This is the best way to get your child ready and excited to be a full fledged Seal team swimmer!
